The references are listed on the attached modified PTO Form No. 1449. Copies of the U.S. patent references are not being provided pursuant to the Official Gazette Notice dated 05 August 2003 waiving the requirement for the same under 37 C.F.R. § 1.98(a)(2). However, for the Examiner's convenience, a copy of the face page of U.S. Patent No. 6,207,369, not previously submitted, is enclosed.

This Information Disclosure Statement is being mailed before the mailing date of any of the events listed in 37 C.F.R. 1.97(c), with the fee as provided in 37 C.F.R. § 1.97(c)(2) and 37 C.F.R. § 1.17(p) (i.e. our check no. 9056 for \$180.00 is enclosed). Thus, pursuant to 37 C.F.R.

§ 1.97(c), Applicants respectfully request that the information be expressly considered during the prosecution of this application and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. Applicants further request that a copy of the modified PTO Form No. 1449, appropriately initialed by the Examiner, be returned to Applicants' attorney.

This Information Disclosure Statement is not a representation that the references cited are considered most pertinent, or that a search has been undertaken, or that the cited references are indeed prior art.
